LAST MONTHS MEETING

In May we had a turn out of around fifteen guitar players including Ian Johnson from the Warwick Shadows club and newcomer Tony Knight, as usual all were to our normal very high standard.

Special thanks go to Ken Emerson for supplying and controlling the sound system for the evening, without his help we would not have had any entertainment.

BREAKTHRU'

Our house band **Breakthru'** played on Saturday 1st June at Hersham Sports and Social Club , the set featuring hits of the 60's including Elvis, Cliff Richard and The Shadows. It was great music as was to be expected and nice to see a few of our regulars there. A little more notice please next time lads and we will place a note in the newsletter.

***Breakthru'* to play at CH'TISHADS 2013 in Fleurbaix, France**

Breakthru' have accepted the generous invitation from our twinned club SHADOWMANIACS FRANCE, to play at their major Shadows Music event – **CH'TISHADS 2013** being held in the village of Fleurbaix (about 10 miles West of Lille) on Saturday 19th October 2013 from 10am until late.

The organisers are our good friends Marcel Dumont & Michel Henaux, so it promises to be a great day, as usual, with participating bands and players coming from all over France and Belgium.

It is unfortunate that due to other commitments Bob Dore and Eddie Allen will be unable to make the trip. We are therefore very pleased to report that Malcolm "Nobby" Glover has agreed to handle the drumming duties for the band.

This will make the final line-up for Fleurbaix-

Paul Larkin on Lead Guitar & vocals

Peter Netley on Lead & Rhythm Guitar and vocals

Steve Deeds on Lead & Rhythm Guitar and vocals

John Ross on Bass Guitar & vocals

Nobby Glover on Drums.

A BIT ABOUT ME

*Steve Juden
(Not Apache again!)*

Here is a brief introduction about me, Steve Juden, a new(ish) member of the club helping produce our club's newsletter.

Jean and I found the club in Nov 2011. I found some Shadows music and backing tracks on Goran's website (on the internet) and in Feb 2012 I bought a cheap guitar with a little buzzy amplifier. If I could not play anything within a month they would go on ebay. By March, I could crudely play Apache and in April had my first performance at the club. Since then with a lot of help from friends I have improved a little and now have added a few more numbers to play, Thanks lads!

Jean's brother, Mick is a keen guitar player and can play many Shadows tunes, he always helps me with hints and tips during our weekly phone chats. When he found out that I intended to play with the band he decided to play as well. Mick is now a regular visitor having played at the club a few times since our début last year.
