## LAST MONTHS MEETING

Last month we were joined by our twinned club **Shadowmaniacs France** and their band "**Shotgun Ltd.**", Roger Cazeaux (Lead guitar), Henri Dutreuilh (Rhythm), Michel Henaux (Bass) and Alain Jocou (Drums) who played for us a selection of Shadows numbers along with some of their friends, our thanks go to all of them for entertaining us.

You may have noticed that we now have a new board for our guest players to sign up on to play during the night, this board was built for us by Tony Knight and gives everyone an instant idea of their position in the list of players by the cunning use of his high tech electronics (a flashing LED).

While our visitors were sightseeing in London they were looking for the famous 21's Coffee Bar located at 59, Old Compton Street, Soho, London. Sadly they could not find it as it closed down in 1967 although this green plaque now marks its location on the present building.

Barry Gibson bumped into our friends while they were shopping around Denmark Street in London, What are the chances of that happening!

That reminds me, next year we will be holding another Burns guitar night and raffle, this is planned for 19 September 2014, more details will follow a little nearer the time.

*....and from France a photo of **Martin**  
( Marcel Dumont's 3 year old grandson)  
Maybe in a few years time he will be playing  
some Shadows tunes at our club  
he already looks cool in our club shirt*
