## **CH'TISHADS 2014 DATE ANNOUNCED**

Our twinned club Shadowmaniacs France have recently announced the date for the **Ch'tishads 2014** event to be held on Saturday 11<sup>th</sup> October 2014.

This year the venue has been moved to the village of Sailly-sur-la Lys, which is close by to Fleurbaix, where it has previously been held.

For those interested in participating in this great international experience please contact Bob Withrington.

## **LOCAL NEWS**

Here in Surrey we are suffering from a lot of flooding which at the least is causing us traffic problems in getting to gigs/shows, at the worst it is the flooding out of some venues (one club I know of has had to relocate), some of our club members are also suffering due to this weather, however it was nice to hear that we are keeping in touch with them and they have had offers of assistance from friends. As spring approaches I am hoping that the weather will improve and *the sun will come out tomorrow* (cue Annie).

Our club's venue here at The Hersham Sports and Social Club, is also home to **The Surrey Blues Club** held on the First Friday of each month. Colin has toured the country picking out choice acts for us and I have attached some information of these and the upcoming **Pipeline 2014** event on the next page.
