LAST MONTH

As last months meeting fell on Good Friday the number of players was slightly down due to family commitments and holidays, however the atmosphere was relaxed and the show carried on with an Easter theme as Bob and Charlotte gave out a mini Easter egg with each £1 raffle ticket sold for the Red Cobra guitar raffle. The sale of these £1 tickets is to fund the new LED lighting that the club has bought to improve the playing experience for all of us, players and viewers alike, as well as being energy efficient these give out little heat compared to traditional incandescent lighting units so we are helping to save the planet.

THE PLAYERS

Barry Gibson opened the night with a few solo numbers before joining up with the house band, Breakthru' to start the night off.

CLIFF, ELVIS AND FRIENDS

Dear All

As many of you know, I am putting on a charity concert at Knebworth Village Hall at 7.30pm on Saturday 28 June in memory of Stephen Swann.

We're a bunch of his musical chums whom Stephen employed every year for the Cliff/Shads concerts he put on in Knebworth; these raised funds for his local church, so he used to call us St Martins Shadows. This is our chance to do something for him, so we're renaming ourselves Stephen's Shadows. That gives a clue to some of the music! Our singer Ian Geast will join us again with Cliff numbers, as always, but also Elvis and other songs of the era.

"HANK" – THE LATEST ALBUM

This year sees the 60th anniversary of the Fender Stratocaster guitar. We all know that Hank owned the first Stratocaster imported into the UK which was bought for him by Cliff Richard. To coincide with the "Strats" 60th anniversary, Hank has a new album which is simply called, "**HANK**" and is to be released on 2nd June 2014. The album has a Summer theme. Nine of the tracks were arranged by Hank along with his son, Ben and with backing vocals from his daughter, Tahlia.
