Our June Club Meeting

Last month saw the return of Breakthru' who opened up the evening with a good range of Shadows tunes, after which our club players played their first round of tunes.

At this point we wish to record our sincere thanks to John Bell for providing all of the fantastic Sound Equipment for the evening. It really is a big improvement on what we have been used to. John drives all the way up from Fareham to arrive at the club by 3:30pm so that everything is perfectly set up for the Backing Band to begin their run through prior to our 7:30pm start time. We are also pleased to inform you that John has kindly accepted to be a member of our Management Team now that Mike Norris is finding very difficult to get along to our meetings.

It was a very good evening of music which everybody enjoyed.

Breakthru' in Concert with the Manresa Chamber Orchestra

On Sunday 26th June 2016 our very own band **Breakthru'** performed an hours concert with the Manresa Chamber Orchestra in the wonderful Digby Chapel at Roehampton University.

The afternoon began with a selection of popular classics played by the talented Orchestra conducted by Greg Wheeler. To finish off the afternoon the audience was treated to a great selection of popular instrumental tunes made world famous by The Shadows, all featuring splendid orchestral arrangements by the late, great Norrie Paramor. Including Wonderful Land, Geronimo, Guitar Tango, Atlantis and many more. The afternoon was a huge success and let's hope they do it again soon when Bruce Welch will be able to attend, this time.
