Last month saw the welcome return of The Faux Shadows with John Cade standing in for John Bell. They opened the evening with a good selection of Shadows music.

Being in holiday season we only had a few players, however we had a great number of non players turn up who really enjoyed the evening.

The Players

MAUVE MUSIC GUITAR SERVICES

Hello!

Neil from Chandlers here with an update...

After a fruitful seven months at Rock House Music in Hampton since Chandler Guitars sadly closed, I have decided to set up on my own as a freelance guitar teacher and trader.

Here is an outline of my planned services:

TEACHING:

One to one guitar lessons in your home or at my teaching studio in Staines.

Group lessons may be offered in the future.

Repertoire will be tailored to suit each individual.

Established lesson books and grades can be used if required.

Half hour slots will be available for children.

SELLING:

I now offer a one stop service for selling all your unwanted guitars, pedals and related items on a commission basis via my ebay shop, reverb shop and word of mouth.

I will visit your home, photograph your items, agree valuation and target pricing and then do the rest!

I can also catalogue and value your instruments or collections for you for a separate agreed fee.

I can isolate or suggest sellable items within that process for you if required.

SOURCING:

I now offer a guitar finding service i.e. I will try to source your desired instrument or pedal by searching on your behalf and taking a commission if successful.

If given a remit and guide budget I will recommend specific instruments and products for you.

LAZY J, ECHOLINE & iFUSION:

I can organise demos of Lazy J20 amps and pedals, Echoline pedals and iFusion guitars for you by appointment.

REPAIRS & RESTRINGS:

I can offer guitar restrings in house and source luthiers for specific guitar repairs.

If you require any information on, or wish to use any of the above services please email : mauve@hotmail.co.uk or call 07949 072785.

Office hours are 10am-6.30pm Mon-Fri.

Appointments outside of office hours by individual arrangement.

Any comments, suggestions and questions welcome, I hope to hear from you soon.

Regards and thanks

Jamming Session

Hello,

I have been playing bass guitar at the Surrey Shadows for some months now and I would like to extend my amount of playing time by having a Shadows jamming session at a mutually agreed location with like minded people. Are there any of you that can offer this opportunity? I will be at the August meeting, so please talk to me if you can help.

Regards

Stewart Wood
