### Our August Club Meeting

After five months of lockdown, the club reopened again for live music. Considering social distancing etc, the evening was well attended. A big thank you to everyone for attending and supporting the club.

The social distancing worked really well and did not detract from the enjoyment of the evening. This will still be in place and we will need to take names and contact numbers of all people attending in order to comply with government rules.

## Gig Guide

Those that attend The Warwickshire Club, please see note below.

Hello Everyone,

Just a quick note to keep you abreast of the situation regarding WSGC in relation to the Covid-19 pandemic.

Earlier today The Committee had a Zoom meeting with a view to considering the arrangements going forward. Two things were decided.

1. The membership fees already paid for 2020 will be transferred to 2021.( i.e. 2020 will be written off)
2. Due to the frequent changes in the regulations surrounding the virus, the possibility of an upturn in cases as we approach winter, and the particular issues of running the club safely, it has been decided that there will be no more scheduled meetings this year. It is the committee's intention that the club will recommence in the early part of 2021, at a date to be advised subject to the prevailing government guide lines at the time

We hope you will understand the reasons for these decisions, equally we understand that some members are very keen to get back to normal, but please be assured that we will return to Whitnash, to "keep the sound alive" just as soon as it safe and practical to do so.

Regards,

The WSGC Committee.

Hersham Sports & Social Club      Live music every Tuesday from 20.00
